

# Tell Cancer to **TAKE A HIKE!**

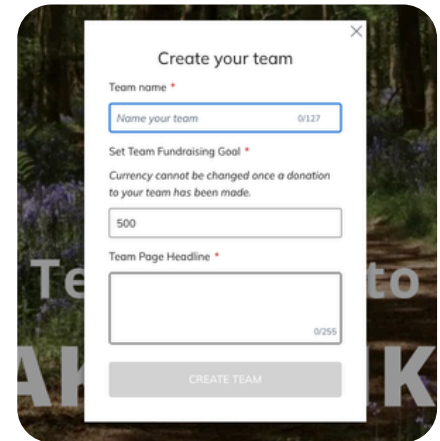

## Setting Up Your Individual and Team Tell Cancer to TAKE A HIKE! Fundraising Pages

Visit our Take a Hike! campaign page [here](#) and click on register for the following options:

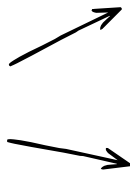

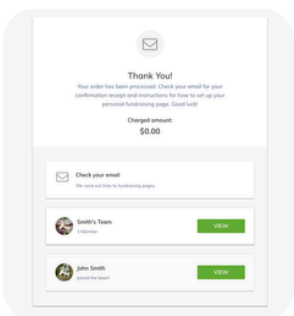

### Create a Team:

1. Once you choose **Create a Team**, you will enter a team name, set a fundraising goal (recommended \$500), and add a team page headline as shown to the right. **Select Create Team.**
2. On the checkout page, select the third option: **Trailhead (Create a Team) for \$75.** Click reserve in the bottom righthand corner and follow the ongoing instructions to finish registration.

3. You should now see a Thank You message. Select the first **"View"** to access your team page, and the second **"View"** to access your individual fundraising page, which Classy automatically set up for you.

4. Click **"Sign In"** in the top menu bar, or create an account. Once signed in, select **"Manage"**.
5. From here, you can personalize your pages as you should choose by selecting each option in the menu bar, starting with **"Overview"**. Make sure you select **"Save Changes"** once finished and click on **"View"** to see your completed page.

6. Select **share** and copy the link and or/ share it on social media platforms. Individuals can either join the team (and register as an individual) or donate to your team/individual page.
