

Tell Cancer to **TAKE A HIKE!**

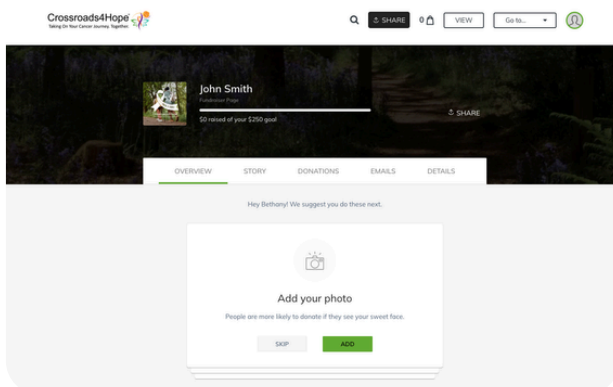

Setting Up Your Individual and Team Tell Cancer to TAKE A HIKE! Fundraising Pages

Visit our Take a Hike! campaign page [here](#) and click on register for the following options:

Register as an Individual:

- Once you select register as an **individual**, you will be brought to the checkout page. Select the first option: **Base Camp (Fundraise as an individual) for \$25**. Click reserve in the bottom righthand corner and follow the ongoing instructions to finish registration.
- You should now see a Thank You message. Click **“View”** to access your fundraising page. You can also click on the link sent to your email address that was provided during registration.
- To **personalize your fundraising page**, select **“Sign In”** in the top menu bar, or create an account. Once signed in, select **“Manage”**.
- You can now personalize your page as you should choose by selecting each option in the menu bar as shown below, starting with **“Overview”**.

- Make sure you select **“Save Changes”** once finished.
- Select **“View”** in the top Navigation bar, and **share** your page by copying the link, or selecting different social platforms. People can then donate directly to your fundraising page.
